7.3 Output

☐ Website's Signup Page

This is the Student Management System Signup Page where users register by selecting a role and entering their details, with options to sign up, close, or switch to login.

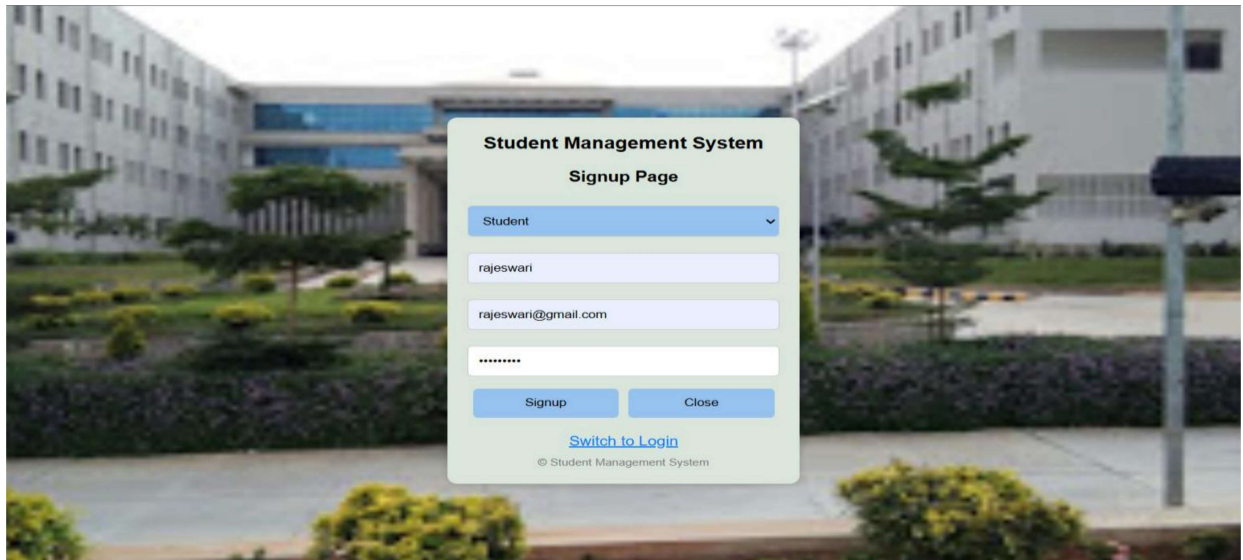

Fig 7.3.1 - Website's Sign page

☐ Website' Login Page

This is the Student Management System Login Page, allowing users to log in by selecting a role and entering their credentials. It includes options to submit, close, or switch to the signup page.

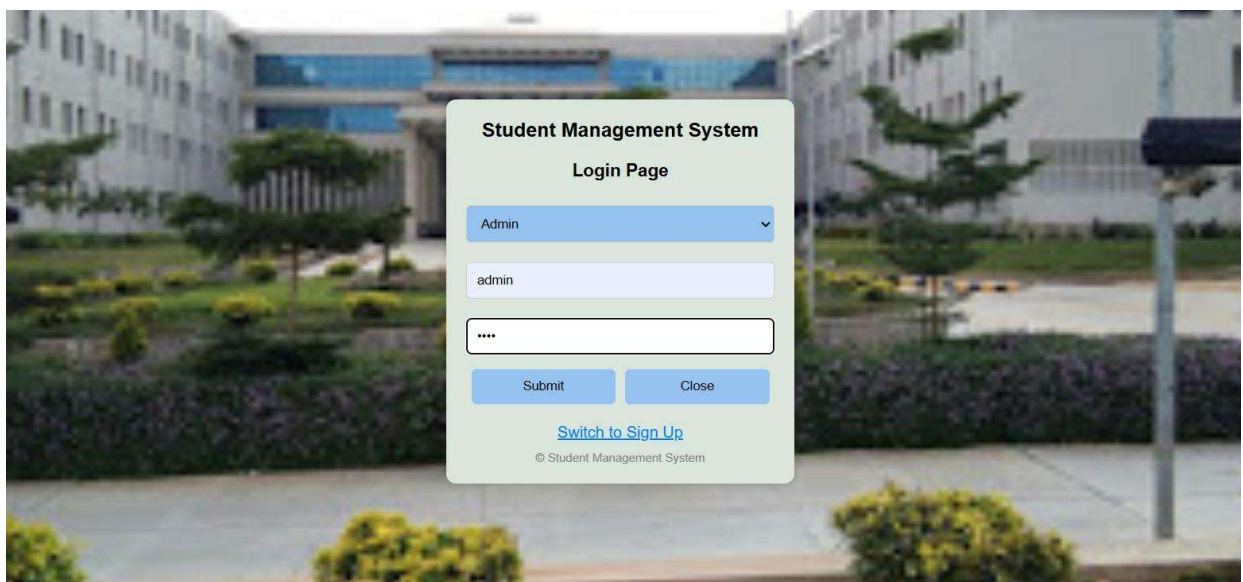

Fig 7.3.2 – Website's Login page

 Admin Dashboard

The Admin Dashboard displays user stats and provides navigation to manage users, subjects, attendance, and other admin tasks.

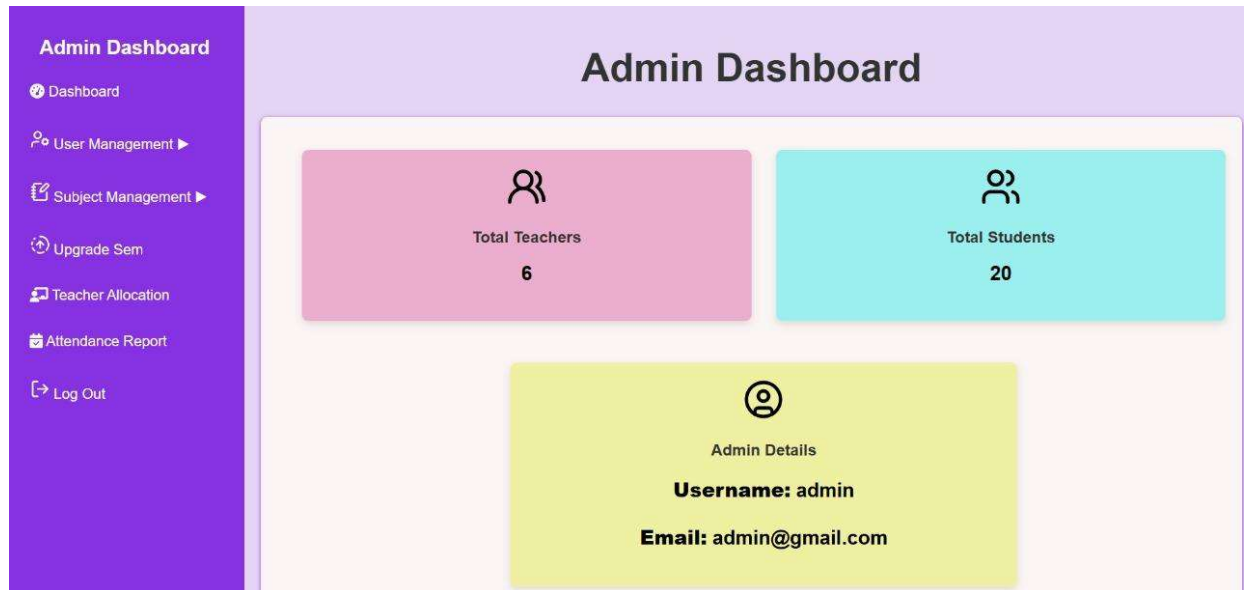

Fig 7.3.3 Admin dashboard

 User Management

 Manage User

The User Management page allows the admin to view, search, add, edit, and delete users along with their roles and credentials

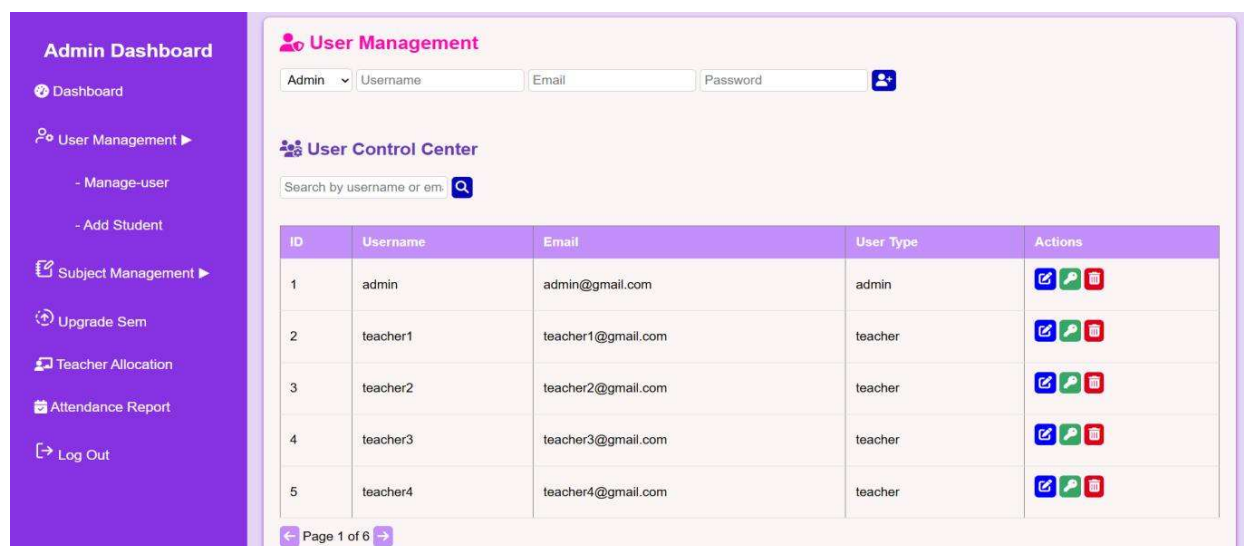

Fig 7.3.4 Manage User in User Management

□ Add Student

The Add Student page lets the admin register new students and view existing student details like roll number, semester, and branch

Fig 7.3.5 Add Student in User Management
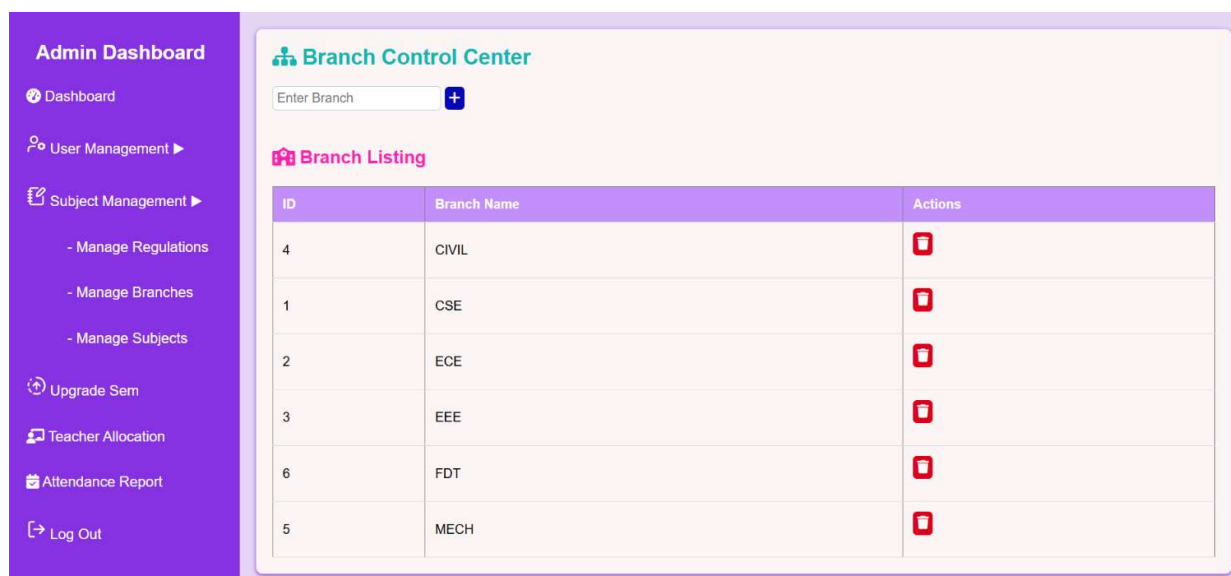

□ Subject Management

      □ Manage Regulation

The Manage Regulations page displays student details filtered by regulation, semester, and branch for administrative oversight.

**Fig 7.3.6 Manage Regulation in subject Management**

□ Manage Branch

The image shows the "Manage Branches" section of an Admin Dashboard in a Student Management System, where branches can be added or deleted.

**Fig 7.3.7 Manage Branch in Subject Management**

□ Manage Subjects

The image displays the "Manage Subjects" section of an Admin Dashboard where curriculum subjects are listed and can be filtered, added, or deleted based on regulation, semester, and branch.

Fig 7.3.8 Manage Subjects in Subject Management

☐ Complete Profile

This image shows a "Complete Your Profile" form with fields for full name, roll number, date of birth, Aadhar number, mobile number, and branch selection.

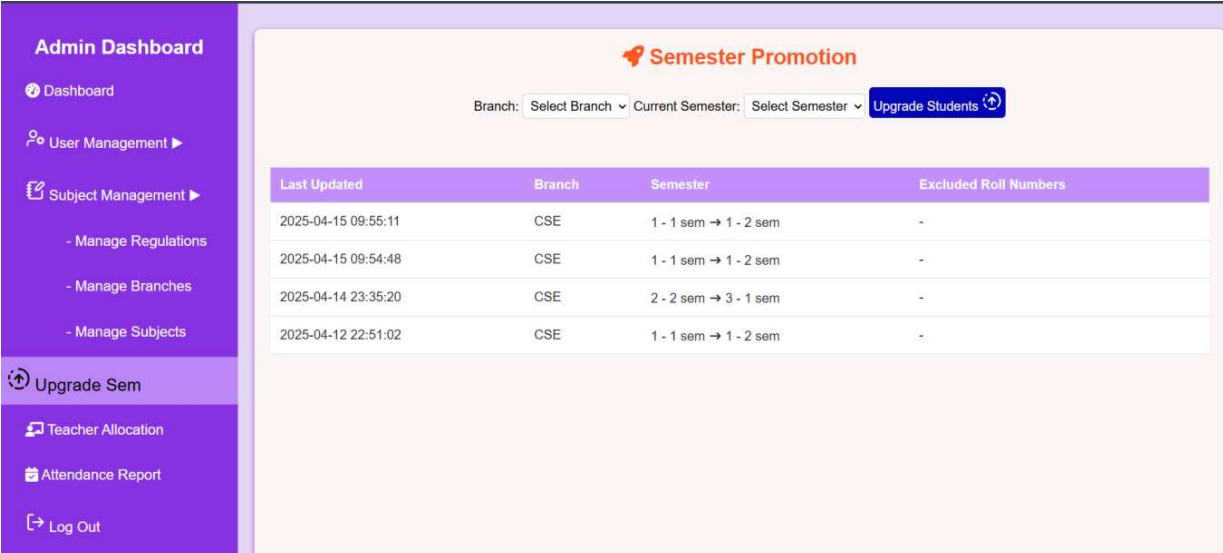

Fig 7.3.9 Add Student of Complete Profile

☐ Upgrade Sem

The image displays an admin dashboard screen for "Semester Promotion" with a dropdown to select branch and semester, a button to upgrade students, and a table showing past upgrade logs

Fig 7.3.10 Upgrade Semester

 Teacher Allocation

The image shows the "Teacher Allocation" page where admins can assign teachers to subjects based on regulation, semester, and branch, and view or delete existing allocations.

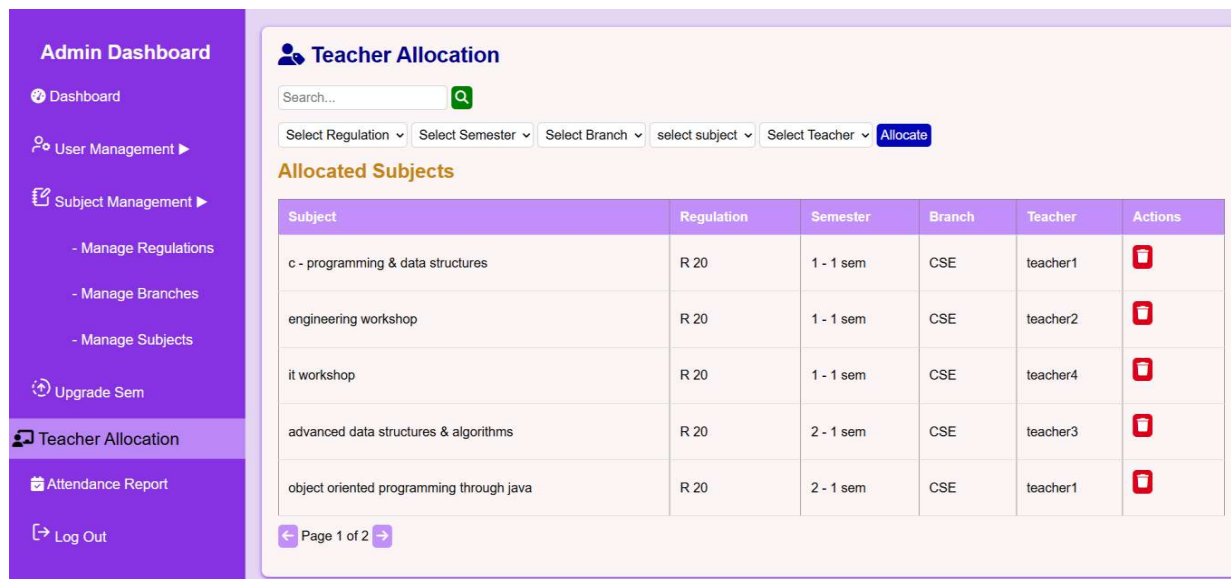

Fig 7.3.11 Teacher Allocation

 Attendance Report

The image displays a Admin Dashboard interface showing student attendance records for a selected subject, including present days, total days, and attendance percentage

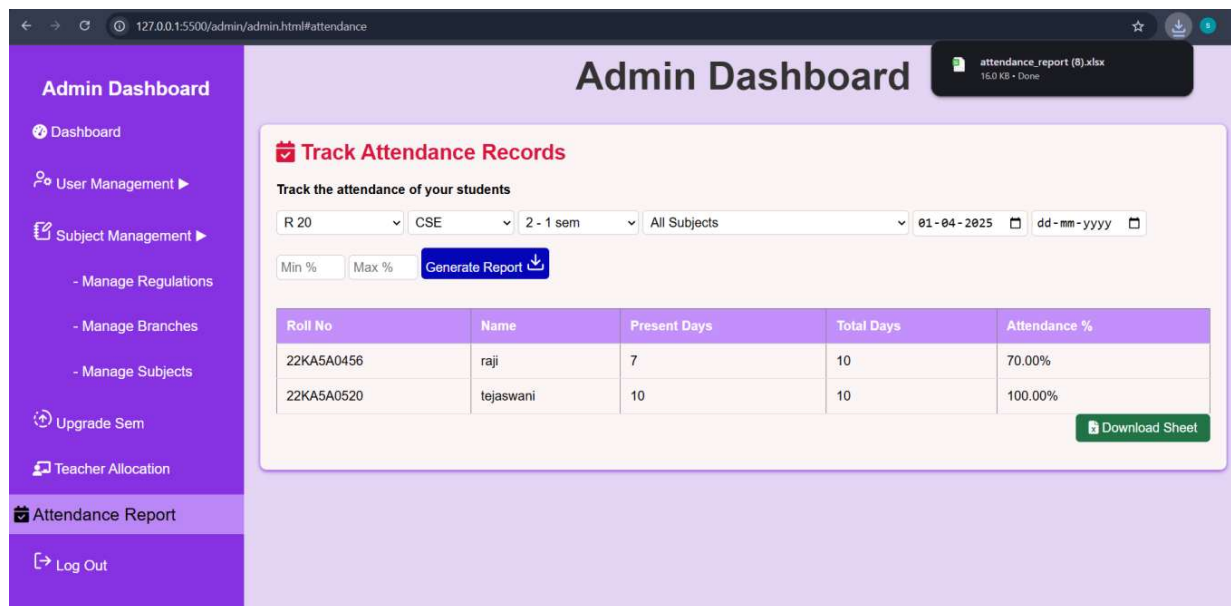

Fig 7.3.12 Attendance Report

❑ Teacher Module

❑ Teacher Dashboard

The image shows the Teacher Dashboard displaying total teaching classes, total subjects, and teacher details including username and email.

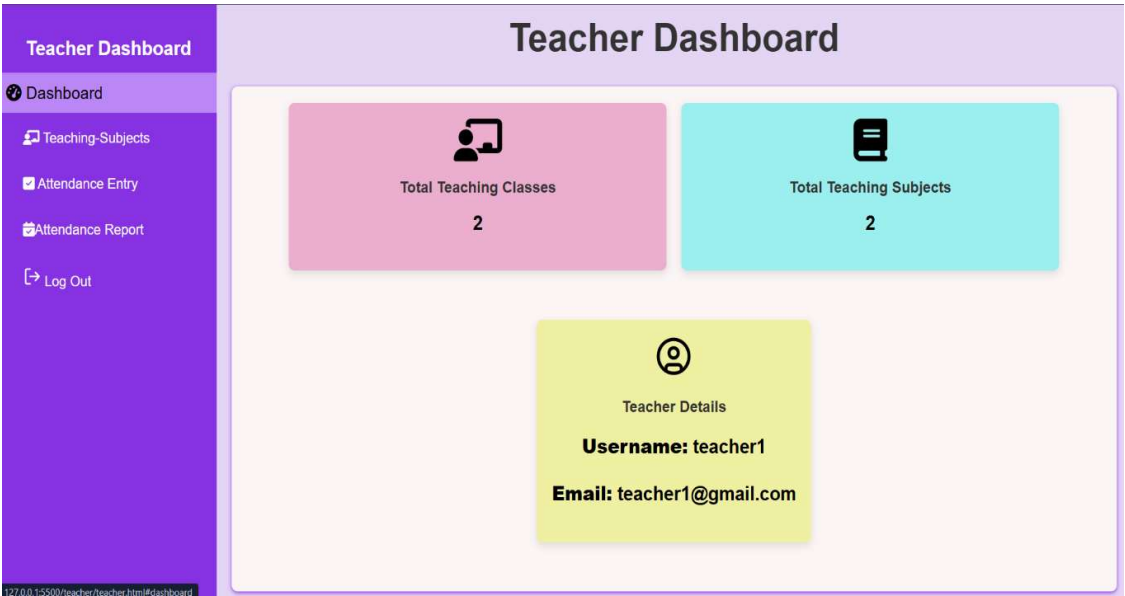

Fig 7.3.13 Teacher Dashboard

❑ Teaching Subjects

The image shows a "Teacher Dashboard" interface from a Student Management System displaying the subjects a teacher is assigned to, along with their regulation, branch, and semester details

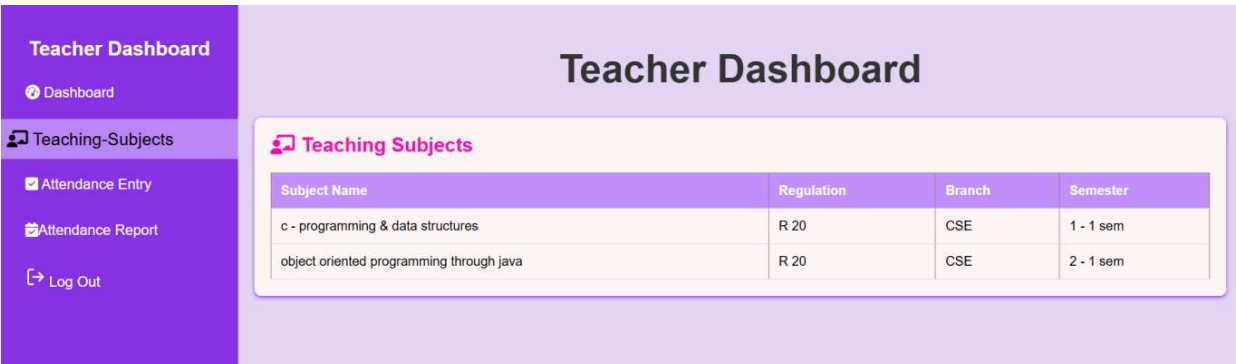

Fig 7.3.14 Teaching Subjects

 Attendance Entry

The image displays the "Attendance Entry Sheet" section of the Teacher Dashboard, where a teacher marks student attendance for a specific subject and date

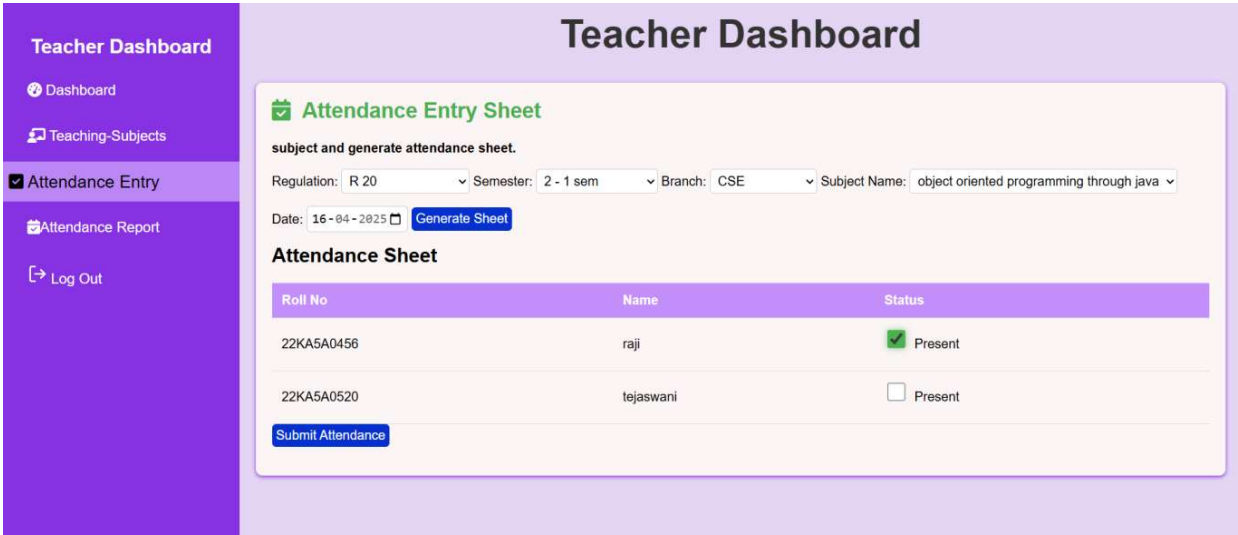

Fig 7.3.15 Attendance Entry

 Attendance report

The image displays a Teacher Dashboard interface showing student attendance records for a selected subject, including present days, total days, and attendance percentage

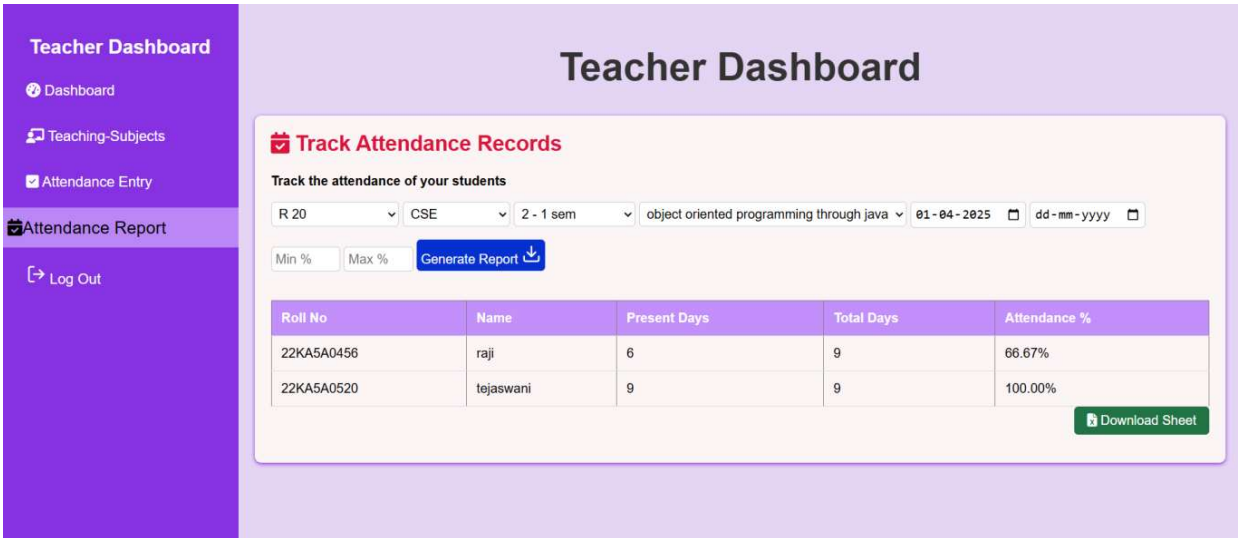

Fig 7.3.16 Attendance report

 Student Module

 Student Dashboard

The image shows the "Your Attendance Report" section of the Student Dashboard, displaying subject-wise attendance details and overall attendance percentage within a selected date range.

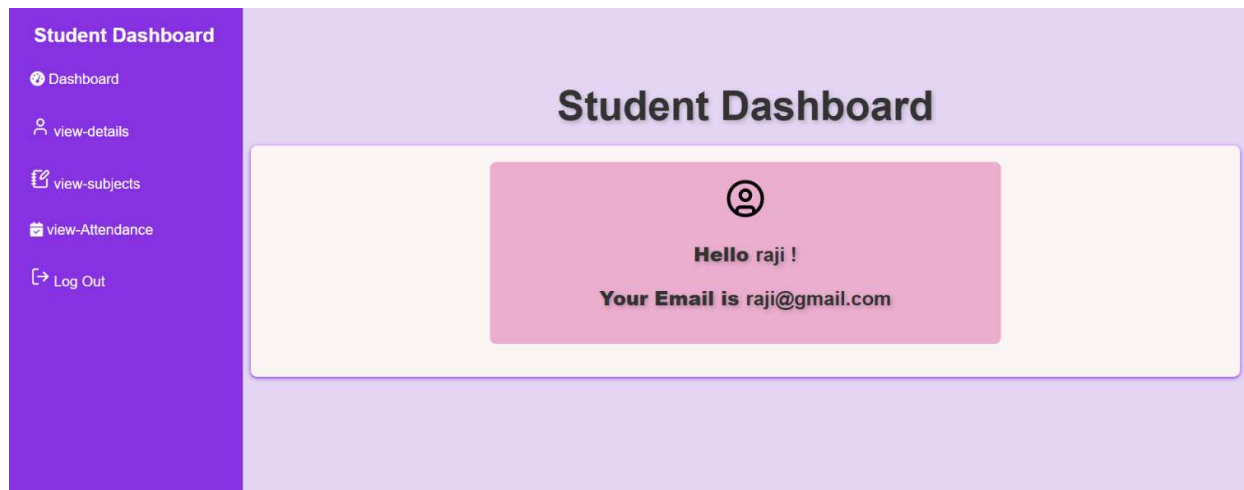

Fig 7.3.17 Student Dashboard

 Student Incomplete Profile

The image shows a student dashboard welcoming the user "ramya" and indicating that their profile is incomplete, prompting them to complete their student details.

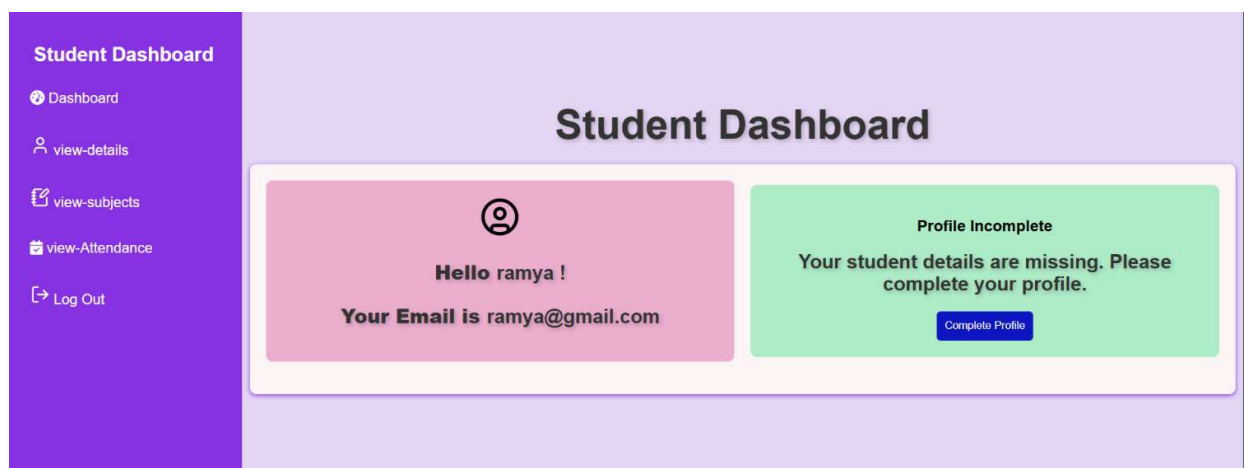

Fig 7.3.18 Student Incomplete Profile

☐ Student View Details

The image shows a student dashboard interface displaying personal and academic details of a student named Raji.

**Fig 7.3.19 Student View Details**

☐ Student View Subjects

The image shows the "Subjects" section of the Student Dashboard, listing subject names along with their respective teacher names.

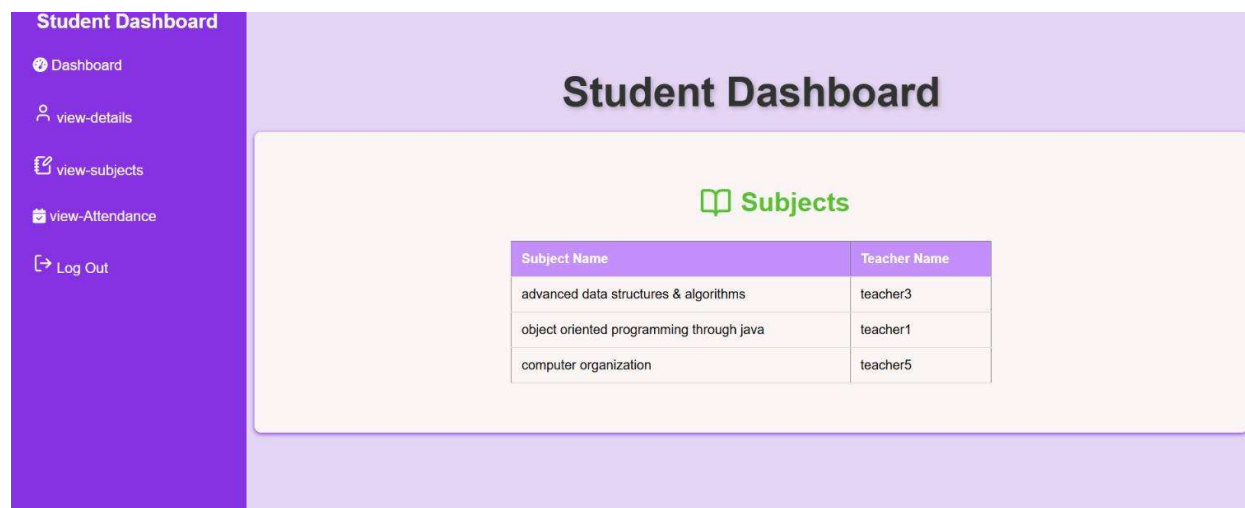

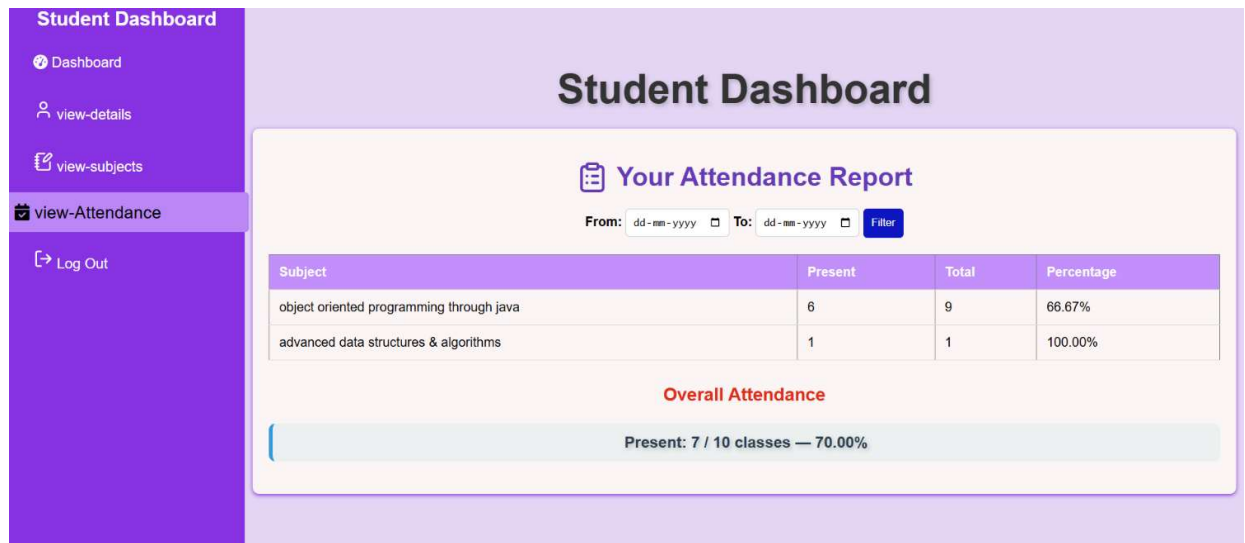

Fig 7.3.20 Student View Subjects

 Student View Attendance

The image shows the "Your Attendance Report" section of the Student Dashboard, displaying subject-wise attendance details and overall attendance percentage within a selected date range
